“ So sorry to hear of Annie's passing. Such a wonderful woman, friend and athlete. I remember one softball game in particular. Annie was at shortstop and I was in left center field. The batter hit a super high pop up between us. I charged in, Annie charged out. I saw she wasn't stopping so I slid..she literally ran up my body and made the catch. Then turned around and helped me up. Rest in Peace my friend. 💕
