“ Casey meant absolutely everything to me, I'd do anything for him. He was the best boyfriend I could've asked for, I'm extremely blessed to have had him in my life. He was my best friend, I'd tell him everything, it's unimaginable. I never saw this coming. I still talk to him every night. My prayers go out to his family. I come on here just to read what others have to say about him and it makes me happier knowing that he will never be forgotten. He's is now a star watching over us.

“ I remember Casey from Gifford when he was in kindergarten or first grade. I saw him for speech therapy. He was a really sweet little boy with great curocity and a big smile. If he saw me in the hall, he would always smile and wave. I am so sorry for your loss. Keep him in your hearts.
