Donna was a marvelous person, aunt and friend. She was fun loving, caring and would do anything for those she loved. Donna always treated those she loved special. She from the time I was very little gave me the nick name “Chachi” like the television show. I used to be embarrassed about it as a shy kid, but what I wouldn’t give to hear it one more time and experience her warm hug and kiss and telling you she loved you . She was my aunt but was more a second mother and friend. I love you, fly with the angels, Aunt Donna .
