“ I knew Doris before her mother married my father in 1950. I always liked Doris. I was 7 years younger than her. I have a picture of Doris when she was younger as well as some of her mother during the 1950's as well as some of her handwriting that I will be glad to share with her family, especially her children.

My wife and I stopped by on our way from Maryland to Washington about 1967 and stayed with them when her boy and girl were small.

There is a resurrection day when Jesus returns as He said He would in which she will come forth from her dusty grave and we will be united together with her at that time. I'm looking forward to that, as I'm sure the family does as well.

God is our comfort now until that day when God brings her to life forever, nevermore to ever die again, and live life as it was intended for this human race.

“ *Uncle Richard and Family,*

I am so sorry to hear of the passing of Aunt Doris, she was always so much fun. I have such great memories of her, and she will always have a special place in my heart. She is no longer ill and has a special place with her Lord, so please take comfort in that. I wish you all the best and I hope we can get together sometime in the near future.

*Love,
Dwaine Smith*
