“ Condolences to Laurie and all the Daft family. I remember buying raspberries and visiting out back. She was a lovely person to talk to. Mr. Daft was living then. Always a gentle smile. Missed the funeral because I'm out of town this week. Prayers have been going out for all the family. Steve and June Boese

“ Our hearts are with all of you in Racine today. Aunt June was a wonderful mother, grandmother, aunt, and friend. We will always treasure her fall visits with Uncle Hank, and all of the special ways that she has remembered us throughout the years. Our lives were definitely richer knowing her and being a part of her family. We will forever miss her.

“ My heart is saddened by the passing of my "Auntie" June. She was the younger sister of my Mother. She was always the first person to send me a birthday card. I remember her driving me around when I came to visit after high school. Took me to Milwaukie to visit my cousin Bill & showed me where I used to live when I was little. How she sent me my favorite food, Kringle. She is now in heaven in the loving arms of the Lord.
