“ *I am so sorry to hear of Linda's passing. May God bless her soul. I worked with her in the OB-GYN Dept. at St. Luke's and had one of her first masssges when she was in training. A very nice, friendly, kind and caring person to know. The family has my sympathies.*

“ *Laura. I'm so sorry to hear of your loss. My prayers are with you and your family as you learn to live without your mom. I know your pain.*

“ *Oh Laura...I have wonderful memories of your Mom and your family! She was a compassionate and truly caring nurse who was always an example to me. Outside of work she was just a kind, loving, joyful soul and this too was an inspiration to me. Massage therapy was a perfect outlet for these gifts and another way for her to share her light with others. I'm grateful to have known her. Love and hugs to you and your family!*
