“ Many wonderful memories of Gifford PTA, Girl Scouts, Junior
Women's Club and just following our children's journeys. We were
in the same space so many times as the years went by. I treasure
them all. Peace.

“ One of my fondest memories ever is when we would go up North to the house with the Minetti's and Nancy and Roger. Among the festivities we girls would sit on top of the player piano and sing to the guys.

“ Nancy and I were like sisters. Our moms dressed us alike and we all spent the summers up at their lake house on Catfish Lake in Eagle River, Wisc. We had our own waterski shows and would dress up for them 🙌 So much fun and memories 💔 🤔 💔 .

Nancy and I graduated Case High School in 1970 we also were involved at Atonement Church with Confirmation Program as her "kids" were same age as mine. Nancy was on the Church Council and would always be willing to help out if volunteers were needed. God Blessed her with friends, family, and so many wonderful experiences. I will miss her for years to come.
