“ Growing up with 4th of July's only to have my own kid growing up with them ... some of the best times. Grand Ave is as far back as my memories can “remember “, but even before that you were always there! I don't ever remember a part of my life when you weren't around ...but I was 13 when you married my uncle!!! NO WAY! That's just how we roll... we all just “fit “in. Always feels like forever, even when it wasn't or isn't. Thanks for being part of the Wenzels. You were the right kind of crazy ❤️
