“ I was heart broken to hear of Todd's passing. He was a pleasure to take care of at Ridgewood. I learned a lot from Todd with our long talks. He loved his family and I felt like I knew all of them thru him and was part of his family. He was so happy to go home and I was thrilled for him. He would tell me all about his cars and motorcycles he worked on and built. He would talk about his job at the quarry and I saw the passion in his eyes about the work he did there. He was a great person and will be truly missed. My thoughts and prayers to all of Todd's family. Debbie CNA
